### Road Race information (to date)

#### Note:

Contact made with Rob Blackburn Secretary of Yorkshire section of TLI regarding the 2010 calendar of events. Still in the mix due for publication/posting late January early February this will have a drastic impact on our program. I would suggest that we are very cautious regarding fixing dates, however we must submit an application in order to run events. I would like the support of the club on this matter. We can make provision for the time-trials by ensuring police notification for each week to provide flexibility to run a TT series come what may!
